

## Parent Permission

### 1. SOCIAL MEDIA GUIDELINES

Parents and other adult family members are welcome to visit in classrooms. Any pictures or videos taken during a visit on First Community Church property are for personal use only. Pictures and/or videos that include any child other than your own may not be posted to social media sites such as (but not limited to) Facebook, or *public* folders on websites for photo storage and sharing, such as (but not limited to) Flickr. Pictures and/or videos that include only your own child may be distributed as you wish. If the Preschool wishes to use a photograph for publicity, it will obtain the permission of each pictured child's parent or guardian.

YES NO *I give permission for my child(ren) to be photographed and/or videotaped in*  
  *classrooms for the purpose of documentation, to be viewed by Preschool staff and*  
*parents.*

### 2. MEDIA GUIDELINES AND RELEASE FORM

We have found that a picture is truly worth a thousand words when documenting class activities and the interests of individual children. Teachers may take photos of children involved in activities, and post narratives including pictures on the classroom bulletin board. Documentation is a wonderful learning tool for children. Children would not be identified with last names.

YES NO  
  *I understand and agree to abide by the Social Media Guidelines.*

### 3. Shaving cream is a common household item that children enjoy using for its tactile sense, its aroma and texture. On trays, it offers an experience much like finger-paint, but washes off easily. By our licensing rules, we need parent permission to use shaving cream in supervised activities in the Preschool. Please sign below, so that we can use this enjoyable medium.

YES NO *I give permission for my child to occasionally use shaving cream as part of the*  
  *classroom experience.*

### 4. Routine Trip Destination: For walks within the First Community Church building at 1320 Cambridge Blvd., and possible neighborhood walks within 2 blocks of the church buildings. Mode of transportation will be walking. Children will not have access to water that is two feet or more in depth, and field trips will not include water activities.

YES NO  
  *I give permission for my child to participate in the routine trips described above.*
