

Youth Vocal Ensemble (Grades 6-12)

Sally Beske, Director

In an emotionally-safe environment, the Youth Choirs at First Community Church provide a loving community for children as they explore music literacy and vocal technique. Children in the choirs become active and confident participants in worship as they bring their song of praise and prayer to God.

YVE Choir Experience

The Youth Vocal Ensemble focuses on choral technique and music literacy while building a supportive and emotionally safe community. We develop confidence in our presentation skills, part singing skills and learn to become leaders in worship.

Membership in the Vocal Ensemble is available to all youth in sixth through twelfth grade. No audition or pre-registration required. The best times to join are in September or January, although all are welcome at any time throughout the program year.

Rehearsal Times and Performances

Sundays evenings, September – May

- Youth Choir Room - North Campus
- At 6pm, we have snack and social time.
- Rehearsals are 6:15-7pm.

We perform in worship every 4 to 6 weeks throughout the choir season. In December all the youth choirs (K-12) combine to present a Christmas Musical during worship.

Detailed rehearsal and performance schedules are given to parents at the first rehearsal in September, and the first rehearsal in January.

Funding for the Youth Choirs:

Funding for the Youth Choirs is provided by your family's donation at the time that you register your child, congregational pledges to the general operating fund of the church and by gifts designated to Youth Choirs. Most of our equipment has been provided for us by grants from First Community Foundation. Thank you for your family's support.
